Dear Applicant,

Your request, received on 28 April 2023, for examination under the Global Patent Prosecution Highway program (GPPH) or IP Australia - European Patent Office Patent Prosecution Highway (IPA-EPO PPH) has been approved.

What will happen next

- **Expedited examination** - we will endeavour to examine your patent application within 8 weeks from your request for expedited examination.
- **If issues are identified during examination** - you will receive an adverse report. You will then have 12 months from the date of the report to sort out any issues and gain acceptance.
- **If no issues are identified during examination** - your application will be accepted. We will notify you and your application will be advertised in the Australian Official Journal of Patents. Once advertised, interested third parties have 3 months from the advertisement date to oppose the grant of your application. If your application is not opposed, it will be granted provided any applicable fees have been paid. If your application is opposed, you will be notified of this.

Details of your patent application can be viewed on [AusPat](#), our Australian patent search database.

Yours sincerely,

IP Australia
