Dear Sir/Madam,

I note that this matter is ready to be set for hearing.

The file shows that Evidence in Answer has not been filed in this opposition. As this is an unusual situation, before proceeding to set a hearing date I request both parties to confirm that a hearing is required.

If the opponent does not wish to proceed with the opposition, they should withdraw the opposition. If the applicant does not wish to proceed, they should withdraw the application.

If I do not receive a reply, or there is no indication that a hearing is not required, within **seven (7) days** of the date of this letter, the opposition will be set for hearing.

Yours sincerely,

Belinda Sillis
